# Lets start with the Tips

# COMMUNITY DAY

AOTEAROA

Tip #1: understand  
the amount of  
caffeine in your  
beverage

Tip #2: understand  
the best medium for  
your learning style

Tip #3: exercise

Tip #3: exercise,  
walking counts

Tip #4: do you learn  
by remembering or by  
understanding?

Tip #5: sleep

Tip #5: sleep, the day  
before the exam

Tip #5: sleep, the day  
before the exam, as  
well as in general

Tip #6: reading AWS  
documentation from  
top to bottom is a bit  
dry

Tip #6: reading AWS documentation from top to bottom is a bit dry, but it works

Tip #7: some exams  
are not as difficult as  
you may think

Tip #7: but some  
exams are more  
difficult than you may  
think too

Tip #8: It might  
depend on your  
background and  
experiences

Tip #9: find some  
realistically worded  
practice exams

Tip #10: the most  
important one

# COMMUNITY DAY

AOTEAROA

Tip #10: if you think  
you are spending too  
much time on a  
question during the  
exam

# COMMUNITY DAY

AOTEAROA

Tip #10: you mostly  
are; pick an answer  
based on best guess  
and mark it for review

Thank you for listening
